

## Choral Society Board Members, Part III

*Notes:* The immediate Past President also serves on the Board, but is not listed separately until 1996–97; starting in that season, the immediate Past President (if available) serves as Policy and Planning Chair (see Part III). In 1996/97, the Policy and Long-Range Planning committees were combined (chaired by the immediate Past President). Also in that season, Friends became a function of the Membership Committee, and in 2002–03, Friends became a function of Development.
